Holiday Reading

The winter months really are the best time to pick up a book - what's better than curling up with a cup of your favourite beverage and book, under a nice warm blanket or in front of the fire? If you can't decide what to read, we've another fantastic [festive reading list](#) for you to browse for inspiration. If you'd prefer a more interactive experience, we are happy to announce that we have evolved the LRC [Reading Tree](#) to bring it to you at home! All of the featured books are available to borrow from the LRC using the [Click and Collect service](#) and to make it even easier and convenient, simply select the title you want on the tree and it will take you directly to the [Library Catalogue](#) for you to reserve your copy. As ever, if you've any comments or suggestions for our [Reading For Pleasure](#) page, please get in touch on the address above. We'd love to know what you think! Happy Reading!

The LRC also has a variety of DVDs available for you to borrow over the holidays using the [Click and Collect Service](#). We've gathered a list of [Festive films](#) for all the family, full of Christmas classics and animated comedies, to get you started! Make sure you make your reservations before the 14th December so we can arrange your collection before we close for the Christmas break.

We hope you have a fabulous holiday and all of us in the LRC would like to wish you a

Merry Christmas and Happy New Year!

We look forward to helping you in 2021. If you have any questions or queries about what, for now, is the new normal, please don't hesitate to get in touch with us:
