

ENGINEERING

PATHWAYS Engineering

Level 4/5/6 Higher Education

Level 3 Engineering Electrical/Mechanical (Mechatronics)
Electrical Installation
Design and Development (Electrical and Electronic Engineering) T Level
Building Services Engineering for Construction: Electrotechnical Engineering T Level
Apprenticeships

Level 2 T Level Transition Programmes: Engineering and Electrical Installation
Engineering Electrical Installation
Apprenticeships

PATHWAYS Automotive Technologies

Level 4/5/6 Higher Education

Level 3 Light and Electric Vehicles Maintenance Installation and Repair T Level
Vehicle Maintenance and Repair
Apprenticeships

Level 2 T Level Transition Programmes
T Level Transition Programmes: Vehicle Fitting and Maintenance
Apprenticeships
