

Business and Management

Accountant Assistant Level 3 Apprenticeship

In Brief

Start Date / Duration

You can start an apprenticeship at any time. This programme will take a minimum of 18 months to complete.

Entry Requirements

- Individual employers set the selection criteria, but this is likely to include 5 GCSEs, including Maths and English, although some employers will accept other relevant qualifications and experience, including a relevant Level 2 qualification. Apprentices without English or Maths at Level 2 must achieve this prior to taking the end point assessment
- You will need to find an employer to employ you as an apprentice. Please see our [Apprenticeship vacancies](#).

You will achieve

Level 3 Assistant Accountant Apprenticeship Standard.

Course Overview

An Assistant Accountant provides support to internal and external customers and will work predominately either as an assistant accountant within practice or alternatively within the finance function of an organisation. Part of their role will involve assisting in the day to day financial activities such as data entry to month end management accounts and/or year-end financial statements. In addition the Assistant Accountant may find themselves involved in regulatory financial requirements such as the completion of VAT returns or assisting in the preparation of tax computations.

English and maths

English and maths qualifications are a requirement for most jobs and it is important that you are able to demonstrate your ability in these areas. If you do not already have a grade C or above in GCSE English and maths you will automatically undertake further study in these subjects as part of your apprenticeship.

How will I be assessed?

You will be assessed through on programme assessment of knowledge, skills and behaviour outcomes on-route to a final synoptic end point assessment, consisting of:

- A synoptic end-test covering the knowledge and skills gained throughout the on programme stage and detailed in the standard
- A portfolio and reflective discussion which will comprise of a range of evidence produced in the work-place to show that you have met the knowledge, skills and behaviours detailed in the standard. The reflective discussion will be a structured interview to examine this evidence and the learner journey in more detail.

What Equipment Will I Need?

You will be required to provide paper, writing materials, calculator and a memory stick.

Where will I study?

You will study within the workplace and attend classes if required at Barnsley College.

What can I do next?

Apprentices can progress onto the Level 4 Professional Accounting/Tax Technician Apprenticeship, the stand alone Level 4 Diploma in Accounting qualification and onto a Foundation Degree in Accounting and various degree programmes in Accounting

As well as ensuring full competency as an Assistant Accountant, this standard provides the foundation for progression into a number of career paths in the Accounting sector including Audit Trainee, Corporate Recovery Analyst, Credit Controller or Tax Accountant
