Course Overview

This Art and Design Foundation course helps you build creativity through fun projects. You'll learn essential skills, boost your confidence, and discover career options in the creative industry. The program prepares you for higher education in art, design, and media, enhancing your critical thinking and independence. It's a great step towards a future in the creative world.

Course Content

This course explores a wide range of art and design activities including media experimentation and research. You will carry out a major project which will involve you creating a body of work for exhibition, linked to a personally devised and written project proposal.

- Fine art
- Graphic design
- 3D design
- Fashion/Textiles

How will I be assessed?

Your work will be assessed throughout the course, both internally and by an external moderator. At the end of each studio module you will present a folder of work for discussion and grading.

The final major project is exhibited as part of the Arts Festival in June/July which is open to the public. In order to gain a full Extended Diploma, you must pass all the course units.

What Equipment Will I Need?

You will require a basic personal and portable kit of materials and equipment. General art and design materials and equipment will be available for student use within studios.

Where will I study?

Old Mill Lane campus
Church Street
Barnsley
S70 2AX
