

Learning for Living and Work

Learning for Living and Work: Complex Needs and Sensory Full-Time

In Brief

Start Date / Duration

This course commences in September.

Entry Requirements

- You will need to have an Education Health and Care Plan (EHCP)
- 'High Needs' funding for your support agreed by your local authority
- Attend an 'interview' with a staff member
- Attend taster/transition sessions in the department to help you settle in before you start
- You must be aged between 16-24 years old

You will achieve

- An accredited qualification, depending on your aims and aspirations
- Your personal targets
- Increased confidence, independence and social skills and of course, make new friends!

Course Overview

The Learning for Living and Work department supports students with additional and complex learning needs through a personalized curriculum. Small classes and support workers help students develop domestic skills, communication, community participation, early Maths and English, and personal development. Progression may lead to further study, supported living, and volunteering. Activities include IT skills, art, music, drama, and enrichment sessions.
