

Engineering

Engineering Operative Level 2 Apprenticeship

In Brief

Start Date / Duration

This apprenticeship programme can be started at any time. The duration for this apprenticeship is typically 12-18 months.

Entry Requirements

Individual employers will set the selection criteria for their Apprenticeships.

You will achieve

Engineering Operative Level 2 Apprenticeship standard.

Course Overview

This course trains you for roles like servicing, maintenance, machine operation, and more in engineering. You'll learn key skills relevant to manufacturing and engineering, which help companies grow. The course covers both general and specific job skills that can be used across different sectors. Examples of roles include Mechanical Engineering Operative, Fabricator, and Technical Support Operative. It's a great start for a career in engineering.

Course Content

How will I be assessed?

You will be assessed by your assessor using a portfolio of evidence, practical demonstrations and assignments. You will be assessed both in College and in your place of work.

What Equipment Will I Need?

You will be required to provide paper, writing materials, A4 ring binder file, extra wide dividers and clear plastic wallets.

Where will I study?

You will study within the workplace and attend classes at Barnsley College's STEM Centre.

What can I do next?

Students can progress onto a suitable level 3 apprenticeship

How much does the course cost?

There is no cost to being an apprentice. All costs associated with your apprenticeship, including the cost of training and your salary, will be paid by your employer.

Financial support

You may be eligible for assistance with expenses such as travel, books, equipment and childcare. For further information please contact the Student Services Team on 01226 216 267.
