## Joinery: Carpentry and Joinery Level 3 Apprenticeship

### In Brief

#### Start Date / Duration

Apprenticeships can start at any time. This programme will take a 15 months to complete.

#### Entry Requirements

Level 3 advanced apprentices will progress from a level 2 apprenticeship, or be able to demonstrate the same knowledge, skills and competency levels.

Apprentices must achieve a Level 3 National Vocational Qualification (NVQ) to demonstrate competency in their chosen occupation.

- Pathway 1: NVQ Level 3 Diploma in Wood Occupations – Site Carpentry
- Pathway 2: NVQ Level 3 Diploma in Wood Occupations – Architectural Joinery

Apprentices must complete, or have previously completed, recognised English and Mathematics Level 2 qualifications.

- You will need to find an employer to employ you as an apprentice. Please see our [Apprenticeship vacancies](#)

#### You will achieve

- Pathway 1: NVQ Level 3 Diploma in Wood Occupations – Site Carpentry
- Pathway 2: NVQ Level 3 Diploma in Wood Occupations – Architectural Joinery

### Course Overview

Throughout this course, you will gain experience in developing structural carcassing components, maintaining structural and non-structural components, and producing CAD details. You will learn to set up and use fixing machinery and create setting out details for bespoke joinery. This provides a foundation in bench and site joinery tasks, equipping you with essential practical skills and technical knowledge. Click here [<https://www.instituteforapprenticeships.org/apprenticeship-standards/advanced-carpentry-and-joinery/>] for further information regarding the Standard Apprenticeship.

## How will I be assessed?

You will be assessed by your assessor using a portfolio of evidence, practical demonstrations and assignments. You will be assessed both in college and in your place of work.

## What Equipment Will I Need?

You will be required to provide paper, writing materials, A4 ring binder file, extra wide dividers and clear plastic wallets.

## Where will I study?

You will study within the workplace and attend classes at Barnsley College's Construction Centre.

## What can I do next?

Upon completion you could progress onto further study relating to your role or apply for job roles including:

- Joiner
- Site Carpenter

## How much does the course cost?

There is no cost to being an apprentice. All costs associated with your apprenticeship, including the cost of training and your salary, will be paid by your employer.

## Financial support

You may be eligible for assistance with expenses such as travel, books, equipment and childcare. For further information please contact the Student Services Team on 01226 216 267.

## Extra information

### Contact the Information Unit

For further information please contact our friendly Information Team on +44 (0)1226 216 123 or email [info@barnsley.ac.uk](mailto:info@barnsley.ac.uk) [<mailto:info@barnsley.ac.uk>]

### Want to join Barnsley Sports Academy and Honeywell Sports Village?

Barnsley College has a range of sports opportunities for all students to take part in, gain professional training and compete nationally and internationally. We also have a state-of-the-art fitness village, Honeywell Sports Village [<https://www.barnsley.ac.uk/shops-services/honeywell-sports-village/>] where students can make use of our fitness suite, spinning studio and classes for competitive rates. You don't have to be studying sport to get involved in the Sports Academy [<https://www.barnsley.ac.uk/barnsley-sports-academy/>].

### Additional Learning Support

Our Additional Learning Support team can provide you with the support you need. Call 01226 216 769 for further information.

### English and Maths

Having good English and Maths qualifications are important for most careers and we want to give you the help you need to succeed.

If you are aged 16 – 19 and don't hold a grade C/4 or above in GCSE English and Maths, you will automatically be included in your study programme. If you want to work towards achieving a higher grade in English and Maths, we can help you do that too and we offer Level 3 Mathematical Studies (Core Maths) which can be added to your study programme.

If you're aged 19 or above and don't hold a a grade C/4 or above in GCSE English and Maths we can help. We offer FREE English and Maths qualifications that can be studied on a part-time basis, subject to eligibility.

If you need any further information, please contact our Information Team by calling 01226 216 123 or emailing [info@barnsley.ac.uk](mailto:info@barnsley.ac.uk) [mailto:info@barnsley.ac.uk]
