Professional Practice:
Supporting Children, Young People and Families BA (Hons)
Level 6 top-up degree this qualification is validated by Leeds Trinity University

Course Overview

Do you want to broaden your career options within the field of children's services?

Are you ready to progress in your career?

Our Professional Practice degree in Supporting Children, Young People and Families is a work-based learning Level 6 top-up degree.

It's designed to be studied on completion of a foundation degree (or equivalent Level 5 qualification), in an area related to the support of children, young people and families.

Course Content

You'll have the opportunity to develop your subject expertise by exploring contemporary issues affecting how children, young people and families are supported. You'll explore debates around children's services, looking at the challenges facing those working in a multi-agency environment. Applying theory to practice, you'll undertake a range of work-based activities, including workplace analysis of the practices and models of management, teamwork, children's learning and experience. You'll develop an understanding of the key issues related to ethical practice, as well as learn how to reflect critically on workplace practices in a professional fashion.

You'll receive extensive support throughout your studies, starting with a specially designed induction programme. We also encourage you to identify a workplace mentor who could support you with your studies and research, (this will be discussed at interview stage) the course fits alongside your work commitment

Modules

The module details given below are subject to change, and are the latest example of the curriculum available on this course of study. On this course you will study a range of modules, which may include the following:

- Evaluating Current Debates and Developments
- Work Related Project
- Safeguarding and Supporting Welfare

- An international outlook
- Understanding how to use tools and technology to support learning and development

How will I be assessed?

A variety of assessment methods are used, matched to the learning outcomes for your programme, allowing you to apply and demonstrate the full range of knowledge and skills that you have developed.

What Equipment Will I Need?

We advise students to bring their own laptop or tablet device to taught sessions to help with note taking and research. You will need to bring pens paper and your own small stationery items.

We advise students that there may be additional course costs in addition to annual tuition fees. These include:

- Books – recommended and required reading lists will be provided at the start of your course. All the books and e-books are available from our Library to borrow but you may choose to purchase your own.
- Print costs – students have access to a number of printers on campus and there is a small charge for printing, printing credit can be topped up on campus.

Where will I study?

You will study at a Barnsley College town centre campus, more details will be provided at interview.

What can I do next?

By the time you graduate, you'll be ready to begin a successful career in family support work, children's centre work or social work (after further training).
