Course Content

How will I be assessed?

A variety of assessment methods are used, matched to the learning outcomes for your programme, allowing you to apply and demonstrate the full range of knowledge and skills that you have developed.

What Equipment Will I Need?

We advise students to bring their own laptop or tablet device to taught sessions to help with note taking and research. You will need to bring pens paper and your own small stationery items.

We advise students that there may be additional course costs in addition to annual tuition fees. These include:

- Books – recommended and required reading lists will be provided at the start of your course. All the books and e-books are available from our Library to borrow but you may choose to purchase your own.
- Print costs – students have access to a number of printers on campus and there is a small charge for printing, printing credit can be topped up on campus.

Where will I study?

You will study at a Barnsley College town centre campus, more details will be provided at interview.

What can I do next?

On successful completion of the foundation degree, you'll be able to progress on to our top-up degree in Professional Practice. This will lead to a full BA Honours degree after an additional year of study. You could progress in your current role, seek more specialist roles with children and young people, or expand into new areas of practice.

After completing the Foundation degree and the top-up Professional Practice degree, many of our students continue on to Masters Study in Family Support, MSc Psychology (Conversion) or a PGCE with QTS in Primary or Early Years Teaching.
