English and maths

English and maths qualifications are a requirement for most jobs and it is important that you are able to demonstrate your ability in these areas. If you do not already have a grade C or above in GCSE English and maths you will automatically undertake further study in these subjects as part of your apprenticeship.

How will I be assessed?

You will be assessed through on programme assessment of knowledge, skills and behaviour outcomes on-route to a final synoptic end point assessment, consisting of:

- A synoptic end-test covering the knowledge and skills gained throughout the on programme stage and detailed in the standard
- A portfolio and reflective discussion which will comprise of a range of evidence produced in the workplace to show that you have met the knowledge, skills and behaviours detailed in the standard. The reflective discussion will be a structured interview to examine this evidence and the learner journey in more detail.

What Equipment Will I Need?

You will be required to provide paper, writing materials, calculator and a memory stick.

Where will I study?

You will study within the workplace and attend classes if required at Barnsley College.

What can I do next?

You may progress onto a Level 3 Apprenticeship, Assistant Accountant.

Potential employers may include corporate businesses, sole traders, partnerships, Public Sector, not-for-profit organisations and educational institutions. Accounts/Finance Assistants may work in-house for an organisation or they might work for accountancy firm, bookkeeping practice, Shared Service provider, self-employed or on behalf of several different clients.

How much does the course cost?

There is no cost to being an apprentice. All costs associated with your apprenticeship, including the cost of training and your salary, will be paid by your employer.
