

Childcare and Teacher Training

Teaching: Learning and Skills Teacher Level 5 Apprenticeship

In Brief

Start Date / Duration

The course starts every January, April and September. Apprentices will be required to attend College, on Monday 9.30am-3.30pm of each week, in term time as part of their formal delivery. This course runs for a minimum of 24 months and then the apprentice will enter gateway for End-Point Assessment The apprentice will need to have passed all the relevant knowledge, skills and behaviour criteria as set out in the apprenticeship standard in order to enter the Gateway for End-Point Assessment.

Entry Requirements

- Students must not have a criminal background that would prevent them from working with young people or vulnerable adults
- Expertise in a vocational and/or specialist subject at a level above that of the students; ideally Level 3 or above in their area of specialism
- Minimum core of literacy, numeracy and ICT
- A teacher/trainer role.

You will achieve

Level 2 Certificate in Safeguarding and Level 5 Diploma in Education and Training.

Students without Level 2 English and Maths will need to achieve this prior to taking the End-Point Assessment.

Course Overview

This apprenticeship is for individuals with prior vocational or subject qualifications who wish to train as educators. It equips you with skills to deliver effective education and training, focusing on planning, delivery, assessment, and teaching strategies. The apprenticeship includes a Level 2 Certificate in Safeguarding and a Level 5 Diploma in Education and Training, along with 20% off-the-job training. For more information, see the Standard Apprenticeship details [<https://www.instituteforapprenticeships.org/apprenticeship-standards/learning-and-skills-teacher/>].

The course covers:

- Developing teaching, learning, and assessment in education and training
- Teaching, learning, and assessment in education and training
- Theories, principles, and models in education and training
- Wider professional practice and development in education and training
- Additional units agreed between the employer and apprentice

Want to join Barnsley Sports Academy and Honeywell Sports Village?

Barnsley College has a range of sports opportunities for all students to take part in, gain professional training and compete nationally and internationally. We also have a state-of-the-art fitness village, Honeywell Sports Village [<https://www.barnsley.ac.uk/shops-services/honeywell-sports-village/>] where students can make use of our fitness suite, spinning studio and classes for competitive rates. You don't have to be studying sport to get involved in the Sports Academy [<https://www.barnsley.ac.uk/barnsley-sports-academy/>] .

English and Maths

Having good English and Maths qualifications are important for most careers and we want to give you the help you need to succeed.

If you are aged 16 – 19 and don't hold a grade C/4 or above in GCSE English and Maths, you will automatically be included in your study programme. If you want to work towards achieving a higher grade in English and Maths, we can help you do that too and we offer Level 3 Mathematical Studies (Core Maths) which can be added to your study programme.

If you're aged 19 or above and don't hold a a grade C/4 or above in GCSE English and Maths we can help. We offer FREE English and Maths qualifications that can be studied on a part-time basis, subject to eligibility.

If you need any further information, please contact our Information Team by calling 01226 216 123 or emailing info@barnsley.ac.uk [<mailto:info@barnsley.ac.uk>]
