

Art, Fashion and Photography

Photography Intermediate Part-time

In Brief

Start Date / Duration

This course will start on 15 January 2025 and lessons will be every Wednesday between 6pm and 8.30pm for 8 weeks, term-time only.

Entry Requirements

You will need to have either completed our **Photography for Beginners** course or have an intermediate level of knowledge in photography and computer literacy. Please view our beginners course if you feel you want an introduction to all things photography and learn new camera skills.

You will achieve

Although no formal qualification will be achieved you will achieve invaluable experience and be awarded with a Barnsley College certificate.

Course Overview

Take your photography skills to the next level with our intermediate course. Explore genres like studio, wedding, travel, and portrait photography while mastering advanced techniques and styles. Through hands-on projects, refine your skills, develop your unique style, and enhance your editing abilities with industry-standard software. Dive deeper into composition, focus, and detail to create stunning images. Perfect for those ready to advance their passion or pursue photography professionally.

Course Content

During your sessions you will work in the studio, outdoors (weather permitted) and classroom covering a selection of the following areas of the photography industry:

- Weddings
- Portraiture
- New-born/Infants
- Studio and studio set-up
- Product/commercial
- Food/catering
- Travel

- Street/urban
- Studio and studio set-up

The course will cover the overlapping skills and techniques used in the above environments and allow you to further enhance your photography knowledge through practical activities and hands-on learning.

How will I be assessed?

There is no assessment for this course.

What Equipment Will I Need?

If you have a DSLR or Mirrorless camera, please bring it along. A camera will be provided if you do not have your own.

Where will I study?

Old Mill Lane campus
Church Street
Barnsley
S70 2AX

What can I do next?

You can use the skills gained to take photographs and could explore further study in photography.

How much does the course cost?

This course costs £200. There is no funding available so all learners must pay this full fee.

Extra information

Full Fee Payable
