

Engineering

Engineering: T Level Electrotechnical Engineering (Electrical Installation - Building Services)

In Brief

Start Date / Duration

This course starts in September 2025 and takes two years to complete.

Entry Requirements

Five GCSEs at grade 4 or above including Maths and English at grade 5 or above.

You will achieve

Building Services Engineering for Construction: T Level (Technical qualification): Electrotechnical Engineering

Course Overview

This two-year Level 2 course is perfect for beginners in the electrical industry. You'll learn key skills in safety, electrical science, installation, and technology, plus get 45 days of hands-on experience. It's a great start for a career or apprenticeship in building services engineering. Developed with top employers, you'll study in a dedicated STEM centre and learn about installing and maintaining electrical systems, along with safe working practices

Course Content

How will I be assessed?

You will be assessed by two externally set exams covering knowledge from the building services engineering common core components.

In year 2, you will complete an Occupational Specialism Assignment: The duration of the assessment is 24 hours and you will be assessed against the following themes:

- Health and safety
- Design and planning
- Systems and components
- Inspect and test systems and components

- Report and information
- Handover and communication
- Working with faults

What Equipment Will I Need?

You will need to provide writing and drawing equipment and a scientific calculator. Personal Protective Equipment (PPE) will be provided.

Where will I study?

Science, Technology, Engineering and Maths (STEM) Centre
Old Mill Lane
Barnsley
S70 2LA

What can I do next?

This qualification focuses on the development of knowledge and skills needed for working in the building services engineering industry, which will prepare you to enter the industry through employment or as an apprentice. Furthermore, the completion of this qualification gives you the opportunity to progress onto Higher Education courses and training.

How much does the course cost?

16 ??? 18 year olds

Full-time Barnsley College students aged 16-18 years old do not have to pay tuition fees.
