You will achieve

You will gain a Professional Graduate Certificate in Education (ProfGCE) in Post Compulsory Education. This qualification is validated by Leeds Trinity University.

Course Overview

This course helps you develop the required skills, knowledge and professional values to be a highly effective teacher. You will have the option to work in Further Education colleges, sixth form colleges,

adult and community learning, independent training providers and prison education. With a large proportion of your time spent on placement, you'll gain the real-world experience that you need to prepare you for a fulfilling career in education.

Course Content

You are expected to complete 120 credits across the programme and be observed teaching on eight occasions.

You will complete the following modules as part of the programme:

- Planning and Assessing Learning in the Post Compulsory Education Context
- The Role of Theory and the Use of Evidence Informed Practice
- Exploring Contemporary Issues in Post Compulsory Education
- Reflective Teaching Practice (1 and 2)

As a full-time trainee, you would be committed to a Monday-to-Friday week of academic and professional study, consisting of two full days per week of on-campus study, two days per week of professional practice placement (arranged by the College and agreed with you), as well as one day per week of independent study and research.

How will I be assessed?

Your assessment will be a combination of assignments, practical teaching experience, observation records and reflective practice. You will need to demonstrate that you have developed the necessary knowledge, skills, and experience to be a successful teacher.

What Equipment Will I Need?

You will need to provide a pen, paper, notepad or electronic device.

Where will I study?

SciTech Digital Innovation Centre
Falcon Street
Barnsley
S70 2EY

What can I do next?

Upon completion of the programme you can:

- Secure employment as a qualified teacher in post-compulsory education
- Apply for QTLS with the Education and Training Foundation
- Consider starting a Master's Degree in an education-related subject

How much does the course cost?

Course fees: £5,995 per year for those that enrol in September 2024. £6,165* per year for those that enrol in September 2025 (*maximum fee per year is subject to approval).
