

Engineering

Electrical Installations (Buildings and Structures) Level 2 Diploma Part-time

In Brief

Start Date / Duration

This course will not start again until January 2025. Applicants will be invited in for an interview and assessment nearer to the next start date of the course. This course takes 18 months to complete. It is studied over two evenings a week with lessons typically running from 5.30pm – 8.30pm. The lessons will take place on Tuesday and Wednesday evenings.

Entry Requirements

You must be aged 19 or older at the start of the course.

This course will require GCSE grade C/4 or above in Maths and English as you will need to complete scientific and mathematical formulas aligned to Electrical Installation theory. This will be discussed further on application. A maths assessment may be needed before a place on the course is secured.

You will achieve

City and Guilds Level 2 Diploma in Electrical Installations (Buildings and Structures)

Course Overview

This Level 2 qualification, designed for new industry entrants, provides essential skills for the electrical sector but does not qualify you as a fully certified electrician. Known as the C&G 2365, it will be rebranded as 8202 from September 2023.

The City and Guilds qualification includes mandatory units:

- Unit 201 Health & Safety and Industry Practices
- Unit 202 Electrical Science
- Unit 203 Electrical Installation
- Unit 204 Electrical Technology

Course Content

How will I be assessed?

You will be assessed through a combination of synoptic assignment and externally assessed exam.

What Equipment Will I Need?

You will need to provide:

- Overalls and steel toecap safety footwear
- Highlighter pens and a basic geometry set
- Scientific calculator
- Some course related books may also be suggested

Where will I study?

Science, Technology, Engineering and Maths (STEM) Centre
Old Mill Lane
Barnsley
S70 2LA

What can I do next?

Upon successful completion, this qualification will provide you with the practical skills and knowledge to further progress your learning within the electrical industry, such as the Level 3 Diploma in Electrical Installation or an Electrotechnical Apprenticeship.

How much does the course cost?

The course fee is £1286 . There may be help for those on low wages or receiving benefits. For those aged between 19-23 who do not hold a Level 2, there may also be exemptions which apply.

19+ Students

Aged 19 or over and thinking about Further Education? You may be eligible for free or reduced course fees . Please refer to our page ['paying for your course.'](#)

Financial support
