Computing, Digital and IT

Programming Digital Development Level 2 Award Part-time

In Brief

Start Date / Duration

This course is starting on Tuesday 7 January. Lessons are every Tuesday between 9.15am and 12.30pm for 12 weeks, term-time only.

Entry Requirements

There is no requirement for you to have achieved any qualifications or units prior to undertaking this qualification, however a reasonable standard of computing skills will be required.

You will achieve

Level 2 Award in Digital Development (Gateway Qualification)

Course Overview

Learn programming and coding in Python with our Digital Development course. Develop essential workplace skills, build a portfolio with Git-based projects, and collaborate on a team assignment. Gain knowledge in Digital Development, complete Python modules, and use digital tools to enhance teamwork.

Course Content

You will produce a portfolio of small programming projects, one of which will be as part of a team, hosting those projects on a Git-based code sharing platform.

You will develop your knowledge and understanding of the core areas of Digital Development and gain an introduction to the skills required in the Digital Development sector.

You will complete two Python programming modules and use digital tools to contribute to team projects.

How will I be assessed?

You will be assessed using a range of methods such as practical tasks and written coursework within a portfolio of evidence. This portfolio will be used to determine your grade.

What Equipment Will I Need?

All equipment will be provided.

Where will I study?

SciTech Digital Innovation Centre
Falcon Street
Barnsley
S70 2EY

What can I do next?

Upon completion, you could study the Level 3 Award in Software Development.
