

Computing, Digital and IT

Programming Software Development Level 3 Certificate Part-time

In Brief

Start Date / Duration

This course will start on Monday 3 February. Classes are every Monday between 9.00am and 4.15pm for 15 weeks, term-time only.

Entry Requirements

There is no requirement for you to have undertaken a specific qualification, but you should be able to demonstrate the skills and ability to study at Level 3 and a reasonable standard of computing skills.

GCSE English and Maths at grade C/4 or equivalent will also provide a good foundation for success.

You must be aged 19 or above to study this course.

You will achieve

Level 3 Certificate in Software Development

Course Overview

This Programming Software Development qualification has been developed alongside consultants with years of industry knowledge. Through this course you will learn about project management concepts and the processes and tools used by organisations to manage IT projects, gaining essential skills for employment or further studies in software development.

Course Content

Through this course you will understand project management concepts and the processes and tools used by organisations to manage IT projects. You will learn about project management methodologies and use project management software to plan an IT project, track progress, and review the outcomes to determine project success.

The course consists of five units to complete:

- Project Management
- JavaScript
- Object-oriented programming
- Program implementation
- Robot technology

How will I be assessed?

You will be assessed using a range of methods such as practical tasks and written coursework within a portfolio of evidence.

What Equipment Will I Need?

All equipment will be provided.

Where will I study?

SciTech Digital Innovation Centre
Falcon Street
Barnsley
S70 2EY

What can I do next?

After successful completion of the course, you could move on to Higher Education, an apprenticeship or employment.

How much does the course cost?

This course costs £1645. This course is eligible for the Free Courses for Jobs funding which means you can study this for free if you meet the eligibility criteria.
