Entry Requirements

SAGE Level 1 Accounting

You will achieve

You will achieve a Level 2 Certificate in Computerised Accounting for Business. (Skills First)

Course Overview

This Level 2 qualification is ideal if you have some existing knowledge and understanding of computerised accounting, but little experience of manual bookkeeping concepts. It enables learners to achieve vocationally focused skills and knowledge related to the computerised accounting process.

As part of the course, you will be provided with access to *Sage software and course materials on an online portal so that you can study outside of class time at a time to suit you. Resources available will include formative and practice simulations and workshops will be held on **Tuesdays 1.30-4.30pm** where a tutor will be available to support you and answer any questions.

*software is not compatible with Windows XP or Apple Macs – unless you are running Windows Vista or Windows 7 via Apple's Boot Camp utility

The course will give you the most up to date skills that will enhance your employability or help you to run the finances of your own business.

Course Content

The units you will study are:

- Banking procedures
- Principles of recording and processing financial transactions
- Principles of VAT
- Professional values and basic business legislation
