The course will end on Monday 23 June 2025.

#### Entry Requirements

Entry to this course will require you to hold at least a Level 1 or equivalent qualification.

#### You will achieve

You will achieve a Nail Technology Certificate Level 2 VTCT.

### Course Overview

This course is designed to develop your knowledge and skills in providing acrylic nails for clients. Acrylics are an immensely popular service, so gaining qualifications in this skill could help to open a range of new earning and career opportunities for you.

### Course Content

This course has a compulsory six weeks introductory period, from when it starts, that will cover important skills and knowledge necessary for progression during the course.

As part of this course, you will study:

- Health and safety
- Consultation and product knowledge
- Nail science
- Application and removal of acrylic nails

### How will I be assessed?

You will be assessed by completing written tasks and tests, and successfully completing a practical assessment.

## What Equipment Will I Need?

You will need writing stationery and a folder. You will be required to purchase a complete nail kit and uniform before starting the course. The kit and uniform will cost approximately £470 and can be purchased from the department supplier. The department staff will provide you with details of how you can order if you choose to come and enrol.
