Course Overview

Advanced Therapies Course for those over 18 aiming to become Microblading Technicians. Learn to perform microblading with professional standards, including health and safety, client care, and consultation. Develop skills in communication, customer service, and practical application. Study health and safety in the salon, client care and consultation, microblading techniques, anatomy and physiology for microblading, and eyebrow shaping services.

Course Content

How will I be assessed?

You will be assessed through written assignments, case studies, a practical assessment, and a knowledge exam.

What Equipment Will I Need?

You will need to bring:

- Writing stationery and a folder

- Uniform (salon wear or all black clothing and full cover shoes)
- A microblading kit will need to be purchased and this will cost around £500. The department can advise on how to purchase this kit.

Where will I study?

Old Mill Lane campus
Church Street
Barnsley
S70 2AX

What can I do next?

The primary purpose of this qualification is to prepare you for employment in the advanced therapy process of Enhancing Eyebrows with Microblading Techniques. You will be able to offer microblading as a service. Alternatively, you could study another of our part-time courses in the beauty department.

How much does the course cost?

This course will cost £1,000 plus approximately £500 for a kit. There is no funding available for this course, so all students must pay.
