18th Edition Wiring Regulations Amendment 2 Update City and Guilds 2382-22 (Online) Part-time

In Brief

Start Date / Duration

This course can be started at any time. Study of this course is self-directed so it is up to you how quickly you complete. You will have online access to content for 12 months.

Entry Requirements

This online course will require candidates to hold the 17th Edition Wiring Regulation qualification.

You will achieve

You will achieve a Level 3 Award in the Requirements for Electrical Installations BS 7671:2018 (2382-22).

Course Overview

This qualification is for those interested in safely working with electric and hybrid vehicles, covering system components, hazards, and risk reduction. It prepares individuals for a career as electricians, focusing on wiring, circuits, and safety.

Simultaneously, a flexible virtual course helps those with a 17th Edition Wiring Regulation qualification to update to the 18th Edition. It offers 12-month access to tutorials and assessments, with a focus on understanding and implementing regulation updates, culminating in a two-hour exam.

Course Content
