

Engineering

Automotive Refrigerant Handling Level 3 IMI Award Part-time

In Brief

Start Date / Duration

This course can be studied throughout the year. It will take three days to complete. Please apply for more information.

Entry Requirements

You will need experience of working in the automotive industry.

You will achieve

You will achieve a Level 3 IMI Award in Automotive Refrigerant Handling (EC842-2006).

Course Overview

Dreaming of working with cool cars? This Defra-approved course is for you! It trains you in Automotive Refrigerant Handling, a must-have for all Mobile Air Conditioning (MAC) Technicians. You'll learn to handle refrigerants safely and meet the European Union F-Gas Regulation (EC842/2006 and EC307/2008). By finishing this course, you'll prove your skills and be ready to handle AC systems in cars and vans. Get certified and start your journey as a MAC Technician today!

Course Content

How will I be assessed?

You will complete a practical assessment and an external online test set by IMI. The assessment ensures rigour and quality by measuring your underpinning knowledge, including knowledge of the F Gas regulations.

Successful candidates will be issued with a certificate which shows they are compliant and meet the requirements to continue practicing their trade.

What Equipment Will I Need?

You will need:

- Overalls and steel toe cap safety footwear
- Highlighter pens
- A basic geometry set
- A scientific calculator

Where will I study?

Automotive Technologies Centre (ATC)
Honeywell Lane
Barnsley
S75 1BP

What can I do next?

On successful completion, you could study further courses with us. Browse our other Engineering courses.

How much does the course cost?

This course costs £600. There is no funding for this course so all learners must pay the full amount.

19+ Students

Aged 19 or over and thinking about Further Education? You may be eligible for free or reduced course fees. Please refer to our page ['paying for your course.'](#)
