

Engineering

Welding - General Welder Level 2 Apprenticeship

In Brief

Start Date / Duration

You will be able to join this course at any time throughout the year. This is an 18-month apprenticeship.

Entry Requirements

You will be required to have successfully achieved qualifications at Level 1 or equivalent in English and Maths, and also to have achieved Level 2 in both subjects within the period of apprenticeship if you have not already achieved them.

You will achieve

There is no official qualification attached to this course. Apprentices will have to reach the required standard in at least one welding process to the test specification selected.

Course Overview

This course teaches you the skills to become a fully competent General Welder, as required by employers. By the end of the course, you'll master at least one arc welding process. You'll learn about health and safety and complete practical tasks in the workshop. It's a great way to start a career in welding!

Course Content

How will I be assessed?

Want to join Barnsley Sports Academy and Honeywell Sports Village?

Barnsley College has a range of sports opportunities for all students to take part in, gain professional training and compete nationally and internationally. We also have a state-of-the-art fitness village, Honeywell Sports Village [<https://www.barnsley.ac.uk/shops-services/honeywell-sports-village/>] where students can make use of our fitness suite, spinning studio and classes for competitive rates. You don't have to be studying sport to get involved in the Sports Academy [<https://www.barnsley.ac.uk/barnsley-sports-academy/>].

Additional Learning Support

Our Additional Learning Support team can provide you with the support you need. Call 01226 216 769 for further information.

English and Maths

Having good English and Maths qualifications are important for most careers and we want to give you the help you need to succeed.

If you are aged 16 – 19 and don't hold a grade C/4 or above in GCSE English and Maths, you will automatically be included in your study programme. If you want to work towards achieving a higher grade in English and Maths, we can help you do that too and we offer Level 3 Mathematical Studies (Core Maths) which can be added to your study programme.

If you're aged 19 or above and don't hold a a grade C/4 or above in GCSE English and Maths we can help. We offer FREE English and Maths qualifications that can be studied on a part-time basis, subject to eligibility.

If you need any further information, please contact our Information Team by calling 01226 216 123 or emailing info@barnsley.ac.uk [mailto:info@barnsley.ac.uk]
