

Engineering

Engineering Electrical/Mechanical (Mechatronics) Level 3 Full-time

In Brief

Start Date

This two year study programme starts in September.

Entry Requirements

- Four GCSEs at grade 4 or above including English and Maths
- With Science at grade 5 or the Level 2 Diploma in Engineering.

You will achieve

Year One: Foundation Diploma Level 3 in Mechanical (Mechatronics)/Electrical Engineering

Year Two: Extended Diploma Level 3 in Mechanical(Mechatronics)/Electrical Engineering

Course Overview

This course is perfect for getting into the electrical industry. Over two years, you'll learn safety, electrical science, installation, and technology, and get hands-on experience. Taught in a dedicated STEM centre and developed with top employers, it covers key skills needed for a career or apprenticeship in engineering. You'll learn to install and maintain electrical systems, explore units like machining, electronics, welding, and more, preparing you for exciting careers.

Course Content

How will I be assessed?

Assessment is through practical and coursework. You will be required to sit three exams.

What Equipment Will I Need?

You will require a ring binder, a calculator, textbook and general stationery.

See what careers are available in the Engineering [https://www.barnsley.ac.uk/app/uploads/2023/10/Engineering-careers-2023-24.pdf] sector. Use our online careers tool, Career Coach [https://barnsley.lightcastcc.com/?radius=®ion=Barnsley] , to find out what your next steps could be.

Where will I study?

Science, Technology, Engineering and Maths (STEM) Centre
Old Mill Lane
Barnsley
S70 2LA

What can I do next?

Employment: This course can form the foundations for future study and work as Engineer and other related roles.

Education: Many students continue with higher level qualifications such as a BEng Degree or Higher National Diploma in Engineering.
