## Sports Coaching, Physical Education and Health BA (Hons) Top-Up (Full-time)

### In Brief

#### Start Date / Duration

This course starts in September 2025. This course will take one year to complete.

#### Entry Requirements

You will need to complete a formal application via UCAS and attend an informal interview to ensure that the course meets your needs and interests.

You must be able to demonstrate a commitment to either sports development, physical activity promotion, physical education, sports coaching and leadership or the health industry and be committed to your own personal development as well as demonstrating some experience of working in these sectors in an appropriate capacity.

You must have completed a relevant Level 5 qualification with an achievement average of at least 50% and be able to demonstrate an ability to work both independently and as part of small groups in both practical and academic settings.

As your programme will involve you working with vulnerable individuals (e.g. children and adults), you will be required to undertake a satisfactory Disclosure and Barring Service check.

#### You will achieve

Sports Coaching, Physical Education and Health BA Hons.

## Course Content

### How will I be assessed?

Assessment will be varied and devised by teachers to best meet the needs of students and the course with most units assessed via coursework. Coursework assessments could take any form but are likely to include website page design and content, podcasts, essays, reports, presentations, timed assessments, practical observations and for some modules you will get the opportunity to decide your own assessment method (negotiated).

### What Equipment Will I Need?

You will need notetaking materials, paper, pens and folders. Students will require suitable practical kit (including suitable indoor and outdoor footwear) as well as a whistle and clipboard for assessment activities. Students will require access to a computer and an internet connection at home would be an advantage. Students are advised to bring laptops, tablets or smart devices to support learning that takes place in lessons. Students will be required to purchase branded kit for practical, community coaching and teaching work.

### Where will I study?

SciTech Digital Innovation Centre  
Falcon Street  
Barnsley  
S70 2EY

### What can I do next?

The skills developed through the course are transferable into a range of employment scenarios and students will be given support in aiding smooth progression into employment. The degree also nicely-places students who wish to progress onto further and higher study at MA/MSc level or PGCE qualifications in an appropriate area.

### How much does the course cost?

£5,995 per year for those that enrol in September 2024. £6,165\* per year for those that enrol in September 2025 (\*maximum fee per year is subject to approval).
