### Course Content

#### How will I be assessed?

While this course is practical, there will be end of unit tests set by City & Guilds. The theory elements will underpin the skills you learn in practical lessons and are question and assignment based.

#### What Equipment Will I Need?

We run a very professional department and your uniform and equipment is integral to that professionalism. You are required to purchase your own uniform and equipment, such as knives. At college, we use a local supplier who gives a good discount to all our learners and we will provide you with a uniform and equipment list so that you can order through them yourself.
