

Construction

Construction: Sustainability and Green Environment City and Guilds Level 2

In Brief

Start Date / Duration

This course will start in January 2025. The course will start at 9am and finish at 4pm and run for 5 weeks (term time only).

Entry Requirements

You must be 19 years old or above to study this course.

There are no formal entry requirements for this course, ideally you will have an interest in sustainability and the construction industry.

This course is suitable for those working in the industry or planning to undertake a job/career as a sustainability officer/Environmental officer.

You will achieve

City and Guilds Level 2 Award in Sustainability and the Green Environment.

Course Overview

This qualification is aimed at learners who wish to understand sustainable working practices for a specific job role, future job role and ongoing training. It is especially useful for those who want to work within sustainability or who have been given responsibility for sustainability within their organisations. This qualification is designed for use across all sectors. It is also suitable for those who desire to develop or improve their knowledge and understanding of Sustainability and the Green Environment in a range of industries and sectors. It would be particularly useful for Sustainability Officers and those with job roles which have responsibilities for sustainability reviews and planning within businesses and organisations.
