

Construction

Site Carpentry Level 2 Diploma Full-time

In Brief

Start Date

This course will commence in September 2024 and will take one year to complete.

Entry Requirements

- This course is for 16-18 years olds.
- Successful completion at Level 1 Brickwork Diploma
- OR, you must hold GCSE English and Maths. One of these qualifications must be a minimum Grade 2 and the other must be a minimum Grade 3.

You will achieve

Level 2 Site Carpentry Diploma.

Course Overview

If you want to work in the construction industry and specialise in working with wood, then this is the course for you. You will learn the skills and techniques required for the carpentry and joinery trade.

The course is designed to support your practical skills development in line with industry practice while providing you with the knowledge element that is key to the understanding of Site Carpentry. You will also develop the attributes required for employment and the workplace to expand your career options throughout the course.

Course Content

This course will equip you with the skills and knowledge required to perform site joinery activities in relation to 1st fix structural carcassing with flooring, roofing, frames, partitions and stairs. Develop skills and knowledge with 2nd fix joinery activities with skirting boards, architraves, hanging doors and handrails and balusters.

The course is structured with the following units:
Health and Safety

Principles of building construction
Carry out first fix flooring and roofing
Carry out first fix frames, partitions and stairs
Carry out second fixing operations
Carry out carpentry maintenance
Set up and operate a circular saw

How will I be assessed?

Throughout the study programme your work will be assessed for a Pass, Merit or Distinction grade. Achieving this Diploma means that you have reached the standards expected by the industry.

What Equipment Will I Need?

Basic stationery for the classroom activities.

There are 5 points of PPE required in the workshop at all times. Each student is expected to provide their own safety boots and the department will provide the other 4 pieces:

Hi-viz vest
Hard hat
Eye safety
Gloves

Where will I study?

Construction Centre
Honeywell Lane
Barnsley
S75 1BP

What can I do next?

Upon completion, you could progress onto a Site Carpentry Apprenticeship or a Level 3 On Site Carpentry T Level.

How much does the course cost?

Full-time Barnsley College students aged 16-18 years old do not have to pay tuition.
