

Construction

Bricklaying Level 1 Diploma Full-time

In Brief

Start Date / Duration

This course will commence in September 2025 and will take one year to complete.

Entry Requirements

- You must be 16-18 year olds.
- You must hold GCSE English and Maths. One of these qualifications must be a minimum Grade 1 and the other must be a minimum Grade 2.

You will achieve

Level 1
Brickwork
Diploma.

Course Overview

On this Bricklaying Level 1 diploma course, you will learn essential skills in health and safety, building principles, and construction techniques. You will handle tasks like constructing various types of brick walls, cavity walling, and setting out small buildings. You will also develop employability skills such as teamwork, communication, CV writing, and self-management, preparing you for a career in the construction industry.

Course Content

The qualification is unitised and has an assessment on the completion of each unit. When all six units of training have been completed and assessed individually, you will have successfully completed the course.

This qualification covers the following practical skills and knowledge training in:

- Health and safety
- Construct concrete block walls for retaining walls and internal cavity walls
- Constructing different types of brick walls including the various bonds used in the industry
- Cavity walling construction
- Setting out a small building

How will I be assessed?

You will be assessed on each of the six units on the classroom theory knowledge you have developed. You will also be assessed on your skills development on the four practical skills tests for cavity walls, brick walls, blockwork walls and setting out. You will not be assessed until you have successfully completed the required training leading up to an assessment.

What Equipment Will I Need?

- Basic Stationery for the classroom activities.
- There are five points of Personal protective equipment (PPE) required in the workshop at all times. Each student is expected to provide their own safety boots and the department will provide the other four pieces:
 - Hi-viz vest
 - Hard hat
 - Eye safety
 - Gloves

Where will I study?

Construction Centre
Honeywell Lane
Barnsley
S75 1BP

What can I do next?

Upon completion, you could progress onto the Level 2 Bricklaying

Additional Learning Support

Our Additional Learning Support team can provide you with the support you need. Call 01226 216 769 for further information.

English and Maths

Having good English and Maths qualifications are important for most careers and we want to give you the help you need to succeed.

If you are aged 16 – 19 and don't hold a grade C/4 or above in GCSE English and Maths, you will automatically be included in your study programme. If you want to work towards achieving a higher grade in English and Maths, we can help you do that too and we offer Level 3 Mathematical Studies (Core Maths) which can be added to your study programme.

If you're aged 19 or above and don't hold a grade C/4 or above in GCSE English and Maths we can help. We offer FREE English and Maths qualifications that can be studied on a part-time basis, subject to eligibility.

If you need any further information, please contact our Information Team by calling 01226 216 123 or emailing info@barnsley.ac.uk [<mailto:info@barnsley.ac.uk>]
