Course Overview

Become part of the glamorous hair and beauty industry by getting hands-on on one of our hairdressing courses. This qualification is suitable for you if you want to increase your skills and knowledge to become a great hairdresser.

Course Content

This course has a compulsory six weeks introductory period, from when it starts, that will cover important skills and knowledge necessary for progression during the course.

The course is for learners wishing to develop their hairdressing career further. The course covers many aspects of hairdressing, including cutting, colouring, blow drying, perming, setting and dressing long hair.

Learners will take part in various competitions in and out of the college which will then open up more job opportunities upon completion.

How will I be assessed?

- Online assessments are required to be completed for each unit throughout the course
- You will have practical assessments to complete for each unit
- You will require paying clients to complete practical assessments, which must be sourced by yourself
- If necessary, model blocks may be used to assess the perming unit

What Equipment Will I Need?

You will be required to purchase a kit and uniform before starting the course. The kit will cost approximately £338 and the uniform will cost approximately £37. Both can be purchased from the department supplier. The department staff will provide you with details of how you can order if you choose to come and enrol. You may be eligible for financial support to help towards this cost.

You will also need writing stationery.
