

English and Maths (inc. ESOL)

Maths Functional Skills Part-time

In Brief

Start Date / Duration

This course can be started throughout the year, with a variety of classes available. Evening classes are only available at Level 1 and Level 2. Class attendance will be between 1.5-3 hours per week depending on the level you are enrolled to. You will also be required to attend College for an initial assessment, mocks and final examinations. You can join this course throughout the year. The course can last between 10 weeks and an academic year, depending on your ability.

Entry Requirements

- Students must be aged 19+ years of age. Learners aged 16-18 will do maths and English as part of their full-time study programme
- No formal entry requirements or previous experience is necessary to undertake these programmes
- Before you start, you will undergo an initial and diagnostic assessment to identify which particular skills you need to work on and the relevant units from this suite

You will achieve

Functional Skills Maths qualification.

Course Overview

The qualification is available from Entry 1 to Level 2. It contains a range of units which develop Maths and English skills needed in work and life.

These programmes are flexible. If you want to improve your reading, writing and numeracy skills, or want to gain a qualification for the skills you already have, a Skills for Life qualification could be for

you. Functional Skills qualifications are designed to help you develop the skills you use in everyday life.

Functional skills classes run continually throughout the year. You will need an assessment to determine the level you start at and you will be advised of the details on application.

Course Content

Functional Skills qualifications in Mathematics assess three interrelated process skills:

- Representing: selecting the mathematics and information to model a situation
- Analysing: processing and using mathematics
- Interpreting: interpreting and communicating the results of the analysis

How will I be assessed?

You will sit an examination at the end of the course.

What Equipment Will I Need?

You will require writing materials and a ring binder.

Where will I study?

Old Mill Lane campus
Church Street
Barnsley
S70 2AX

What can I do next?

On completion of these programmes, you may wish to progress to other College programmes in either this area or another area of study.

How much does the course cost?

This course is fully funded to anyone who is aged 19+ and does not already have a grade 4/C in this subject. For applicants who do not meet all these criteria, the full cost of the course is £500.

This course is funded by *South Yorkshire Mayoral Combined Authority (SYMCA) and/or West Yorkshire Combined Authority (WYCA)*.

Want to join Barnsley Sports Academy and Honeywell Sports Village?

Barnsley College has a range of sports opportunities for all students to take part in, gain professional training and compete nationally and internationally. We also have a state-of-the-art fitness village, Honeywell Sports Village [<https://www.barnsley.ac.uk/shops-services/honeywell-sports-village/>] where students can make use of our fitness suite, spinning studio and classes for competitive rates. You don't have to be studying sport to get involved in the Sports Academy [<https://www.barnsley.ac.uk/barnsley-sports-academy/>].

Additional Learning Support

Our Additional Learning Support team can provide you with the support you need. Call 01226 216 769 for further information.

English and Maths

Having good English and Maths qualifications are important for most careers and we want to give you the help you need to succeed.

If you are aged 16 – 19 and don't hold a grade C/4 or above in GCSE English and Maths, you will automatically be included in your study programme. If you want to work towards achieving a higher grade in English and Maths, we can help you do that too and we offer Level 3 Mathematical Studies (Core Maths) which can be added to your study programme.

If you're aged 19 or above and don't hold a grade C/4 or above in GCSE English and Maths we can help. We offer FREE English and Maths qualifications that can be studied on a part-time basis, subject to eligibility.

If you need any further information, please contact our Information Team by calling 01226 216 123 or emailing info@barnsley.ac.uk [<mailto:info@barnsley.ac.uk>]
