You will achieve

Level 4 Understanding the Internal Quality Assurance of Assessment Processes and Practice (Award)

Course Overview

This qualification covers understanding and internally assuring the quality of assessment, as well as planning, allocating and monitoring work in your own area of responsibility.

This specification includes the qualifications for internal and external quality assurers (previously internal and external verifiers). They were needed to meet the emerging needs of the developing qualification frameworks and to reflect changes in the practice of assessment.

These qualifications replace the V1 and V2 qualifications. They are part of the new suite of qualifications for assessors, internal quality assurers (IQA) and external quality assurers (EQA). These qualifications will be required for:

- Assessors and verifiers involved in National Vocational Qualifications (NVQs) for the next three years. Those who deliver these qualifications will need to be qualified to meet the requirements of the NVQ Code of Practice and Sector Skills Councils assessment strategies.
- Assessors and quality assurance staff who deliver qualifications that use the term 'NVQ' in their title will also need these qualifications.
- Depending on the assessment strategies set by individual Sector Skills Councils, some staff, who are assessing and quality assuring qualifications within the that do not use the term 'NVQ' in their titles, but whose purpose is to confirm occupational competence, will need to hold IQA or EQA qualifications.
