Entry Requirements

- Participants will normally be delivering in depth careers advice and guidance
- Whilst there are no formal educational requirements, learners should have a background that will enable them to benefit from the programme

You will achieve

Level 6 NVQ
Diploma in Careers
Guidance and
Development.

Course Overview

If you work in a role providing Careers Information and Advice you may wish to consider formalising your skills and knowledge in a high quality, nationally recognised qualification.

CIAG qualifications relate to national occupational standards (NOS) and provide valuable opportunities for individuals to develop skills, gain underpinning knowledge and understanding and demonstrate competence in the workplace or provide continued professional development.

Each qualification has a core of mandatory units which will be applicable to all staff in a CIAG role plus a wide range of optional units to allow specialisation as appropriate.

For Level 6 CIAG, learners will be providing client focused careers guidance and have more involvement in cross service careers planning and provision

Course Content

The course is made up of mandatory units as follows:

- Preparing to work in the career development sector

- Reflect on and improve professional practice
- Career guidance and development theories and models
- Agree the purpose of client centred career interactions
- Explore and agree the career guidance and development needs of clients
- Use career related information with clients
- Work with other agencies for the benefits of clients and own organisations

Optional units include:

- Use diagnostic and assessment tools with clients
- Promote career related learning to clients
- Lead and manage career development work in an organisation
- Plan, deliver and evaluate presentations
- Use digital technology in the career development sector

How will I be assessed?

The course is assessed through the production of reports with supporting evidence, observation of you giving advice and information, questioning of your knowledge in this area and testimony from your workplace on your work.

What Equipment Will I Need?

You will need a computer and access to the internet.

Where will I study?

You will study through online classes and in your workplace.

What can I do next?

On successful completion of the programme you may wish to consider moving on to undertake a degree in careers guidance.
